

Dear School #5 Families,

Over the summer, children are in danger of losing a significant amount of learning gained throughout the school year. This phenomenon is called "Summer Slide." Summer Slide can be stopped if children continue to read and learn over the summer.

In order to help your child combat Summer Slide, we will text you tips – one math tip and one reading/writing tip – every week for the entire summer. These tips will guide you as you help your child continue to learn and grow over the summer.

Mrs. Bernardino & Mrs. Strong

What is Remind and why is it safe?

Remind is a free, safe, and simple messaging tool that helps teachers share important updates and reminders with students and parents. Subscribe by text, email, or using the Remind app. All personal information is kept private. Teachers will never see your phone number, nor will you see theirs.
