Dear School Five Families,

It gives me great pleasure to welcome you and your child to Lindenwold School Five for the 2020-2021 School Year! I hope this letter finds you well after safely enjoying the summer months with family, while reading, staying active and having fun! On behalf of the Lindenwold School Five Staff, I would like to give a very special welcome to our new students and families. We are pleased to have you join our school family. To our returning students and their families, we are looking forward to another exciting and successful school year. This year, we will begin the school year remotely on September 10th. Although our students will be remote, we will continue to stretch their minds in all subject areas with the instruction and support of our dedicated staff. We will continue to foster a family of learners within our school community. We know that all students excel at high levels when there is a partnership and relationship between students, parents and staff. We seek to have your support and collaboration to ensure the success of all students, even as we begin our instruction remotely.
